ARTURO OLIVARES MARTOS

COMPUTER SCIENCE & MATHEMATICS | AI & DATA SCIENCE

Granada, Spain • 2004.olivares@gmail.com • 0009-0000-9415-7268 • arturo-olivares-martos • arturo-olvrs

ABOUT ME

High-achieving student at UGR with international Erasmus exchange experience in Germany. Specialized at the intersection of rigorous mathematical modeling, advanced algorithms, and AI/MLOps engineering. Proven track record in scientific research, community leadership, and complex problem-solving.

TECHNICAL SKILLS

Languages & Frameworks:
Python, C++, TensorFlow, Scikit-Learn

Modeling & Mathematics:
Optimization, Stochastic Models, Simulation, Advanced Algorithms

Data Science & Tools:
Jupyter, Pandas, NumPy, Data Analysis

Infrastructure & DevOps:
Git, GitHub, CI/CD, Docker, Google Cloud (GCP / MLOps)

LANGUAGES

English: C2 Proficiency (Cambridge)
German: C1 (Goethe-Zertifikat)
French: B2 (DELF International)
Spanish: Native

STUDY ABROAD & IMMERSION

Immersion in Berlin (Germany)
GLS German Language School · Level B2.2 (2024)

Immersion in Exmouth (UK)
Hello! Exmouth · Level B2+ (2019)

Immersion in Munich (Germany)
Landheim Ammersee · Summer School · Level B1 (2019)

Young Professionals in Oxford (UK)
d'Overbroeck's · Engineering Course (2018)

CERTIFICATIONS

MLOps for Generative AI
Google Cloud Skills Boost · 2026

Logic and Set Theory
UGR Micro-credential · 2025

Youth Activity Leader & Leisure Monitor
Regional Government of Andalusia · 2022

EDUCATION & ACADEMIC RECORD

B.Sc. in Computer Science and B.Sc. in Mathematics (Double Degree) 2022 – 2027
University of Granada (UGR) Granada, Spain
- **GPA: 9.2 / 10.**
- Specialization in AI, Data Science, and Mathematical Optimization.

Erasmus+ Exchange | Computer Science & Data Science 2025 – 2026
University of Duisburg-Essen Duisburg, Germany
- International exchange; master-level coursework in modeling and AI.

High School Diploma in Science and Technology 2020 – 2022
Marist Brothers School (HH. Maristas) Granada, Spain
- **2nd highest University Entrance Exam (PEvAU) score** in the province of Granada (**13.975 / 14.000**).

Dual American High School Diploma 2019 – 2022
Academica International Studies USA / Online

RESEARCH, CONFERENCES & OUTREACH

- **Making Soundscape Assessment Accessible: The SoundGraphy Tool** Granada · Sept. 2026
  Journal of Open Research Software (JORS) – Ubiquity Press (Vol. 14: 63)
  First author and software developer for soundscape analysis and visualization (ISO 12913 & SSM).
- **Monitoring and Understanding Notebook-Based Learning with Jupyter** Duisburg · Sept. 2026
  Mensch und Computer (MuC 2026) – German Informatics Society (GI)
  Co-authored research on learning analytics, student monitoring, and interactive dashboards.
- **University Delegate at Alvolution Conference** Brussels · 2023
  European Parliament (Renew Europe): Selected to debate alongside international experts on the socioeconomic impact of AI, digital rights, cybersecurity, and technological regulation.
- **Mathematical Modeling, Vaccination, and Python** Granada · Aug. 2022
  SUMA+ Scientific Journal (No. 104, pp. 39-52): Supply chain and logistical optimization for COVID-19 distribution.
- **Guest Speaker in Computational Modeling** CEFIRE Valencia · Feb. 2021
  Delivered technical training for educators on real-world applications of mathematical modeling and simulation.

HONORS & AWARDS

- **National Research Fellowship – Spanish Ministry of Education** Sept. 2026 – May 2027
  Highly competitive national research grant for undergraduate research awarded with the maximum departmental rating (4/4 pts) by the Dept. of Computer Science and AI (UGR). Supervised by Prof. Rafael Molina Soriano (VIP Group) on *Score Function Estimation in Diffusion Models*.
- **1st Prize for Excellence in International Mobility – ETSIIT UGR** Oct. 2026
  Recognition for academic excellence and leadership in international mobility.
- **Two-time National Champion & Global Honorable Mention – IMMC** 2020, 2021
  1st place in Spain (two consecutive years) and Global Honorable Mention at the *International Mathematical Modeling Challenge (IMMC)* for multivariate optimization.
- **1st National Chemistry Prize (#STEM_for_Teens)** Apr. 2019
  National recognition awarded by Google, the Spanish Royal Academy of Sciences, and Junior Achievement.
- **Runner-up / Honorable Mention, XXXIV THALES Mathematical Olympiad** Apr. 2018

LEADERSHIP & DIGITAL COMMUNITY

Founder & Lead Coordinator Sept. 2022 – Present

Los Del DGIIM (UGR Community) Granada, Spain

- Founded the official community network for the Double Degree; managing channels with hundreds of students.
- Maintain GitHub repositories featuring codebases, study resources, and software architectures with widespread adoption.

SOCIAL COMMITMENT & VOLUNTEERING

- **Student Volunteer:** MuC 2026 Conference (German Informatics Society). Aug. 2026
- **Youth & Leisure Activity Leader:** Maristas Mediterranean Province. 2021 – Present
- **Community Outreach:** Daughters of Charity Soup Kitchen & Córdoba Autism Association.
